# A Few Words from the Recorder

## A POSSIBLE INCREASE OF FEE FOR INITIATION AND MEMBERSHIP

We find many of the large Temples have advanced their fee for initiation and membership to \$150. Being in touch with members of the Imperial Council from all sections of North America, who are coming to Philadelphia to arrange for the Imperial Council Session of June 1st, 2d and 3d, the sentiment is that the minimum initiation fee should be \$150.

Don't be surprised if action is taken and the fee increased at the Session of June 1st, 2d and 3d.

If the law becomes effective immediately, it means if you have a worthy Brother who wishes to avail himself of the old rates of \$75 for initiation and membership, his petition must be in the hands of the Recorder in time for the May Ceremonial.

*A word to the wise should be sufficient*

### WHY?

Nobles, your dues for 1926 should be paid immediately. For the Nobles Aleppo Temple paid to the Imperial Council for per capita tax, Shrine Magazine and Assessment for Shriners' Hospital for Crippled Children a total of \$49,201.75.

183 Main Street  
Worcester, Massachusetts

April 24, 1926.

MR. W. W. MORRISON, Potentate,  
Aleppo Temple,  
262 Washington Street, Boston, Mass.

*My dear Potentate:*

Some days ago, I received a certificate of Life Membership in Aleppo Temple. I can account for this only as coming through your kindness. I don't know what to say or how to begin. I do appreciate it and am truly most grateful.

I have been a member of Aleppo Temple for thirty odd years and I have been most proud of this membership. Sixteen years ago I had to give up work and during this time I have not been able to attend a Shrine meeting.

I have thought every year that I would have to give up my membership, but this I have found hard to do as sentiment was very strong and binding. This past year, when the dues were again raised, I fully decided that I could put off no longer asking for a withdrawal. This I have intended to do but have put off, hoping that I would have business enough so that I could continue my Shrine.

You know that I am confined to a wheel-chair, but it is considerable satisfaction to me to know that in all these years I have been self-supporting. I am able to work and all I ask is enough work that I may be self-supporting and free from charity. I thank you most kindly and I hope to see the time when I can make up for this in some way.

I have been very interested in the Children's Hospital and have been more than pleased to contribute my mite to help some poor child from the fate which has been mine. I am enclosing check \$2.00 and hope I shall be able to contribute to this cause in coming years. Thanking you again, I remain,

Yours very truly,

ERNEST F. DAKIN.

**1926** is the one hundred and fiftieth anniversary of the signing of the Declaration of Independence. This sesquicentennial is being celebrated by many states and cities by observances that mark the progress of our Republic and reveal the high points of history.

*A*T Philadelphia an Exposition will open on May 31, with all the features of a World's Fair, presenting the class of entertainment the public enjoys.

*A*LEPPO TEMPLE is accustomed to doing big things. It stands foursquare as a patriotic organization and enjoys the confidence of the public. It will sponsor through its Patrol and Drum Corps this observance of the sesquicentennial by a public entertainment that in attractiveness and dignity will be worthy of the occasion. Boston will therefore have its part in the general observance, as it should, because there is no place in the Nation where the traditions of the Founders are more respected, or where more of the events that made history have taken place.

*B*OSTON is the proper place to stage a big historical review and this will be done in July, when the stupendous pageant "**AMERICA**" will be presented at Braves Field—the largest baseball park in the country—with wonderful seating capacity to view this mighty spectacle. The performances of "**AMERICA**" will run for fifteen nights (Sundays excepted), July 8 to 24 inclusive.

*A* SCENIC setting six hundred feet long and forty feet high will cover the entire outfield of the Ball Park, three large stages will be required, and about one thousand people needed to present the magnificent performance. Hundreds of colored lights will make up the electrical batteries to produce the ever changing lighting effects, and from the start to the finish the presentation will be unparalleled.

*W*HEN the trumpets herald the opening episode the gorgeous pageant will carry you back one hundred and fifty years into a land of dreams only to be awakened by the most thrilling climax ever attempted in an outdoor theatrical production. Not only are the high lights of the Revolutionary period realistically enacted, but the entertainment features comprising the first sections will furnish a divertisement rarely witnessed in the theatre. Beautiful ballets, striking tableaux, brilliant pageantry, all lead up to a tremendous

finale of a modern fireworks display that will excel anything ever attempted in Boston. Numbered among the large list of sensational feature acts in the hippodrome specialties will be found the best American and European novelty presentations — the very cream of attractions that are too large to be given in an indoor theatre.

**B**RAVES FIELD assures an ample seating capacity to care for the thousands who will want to attend the nightly performances, and there is good parking space for automobiles. Further details will be published at an early date, but meanwhile we assure the Nobles that everybody will want to see **"AMERICA,"** that you will be proud of the production, and we believe interested to see that it reaches your friends through your coöperation. It is a great undertaking, but the Shrine does big things, and in this civic endeavor will bring to the front the outstanding events of American History and reawaken the spirit that has made us the greatest Nation in the World.

**M**R. EARL F. NEWBERRY, the producer of the great spectacle "Awakening" that is staged annually at Detroit, Michigan, will be the Director General of the performances and is now in Boston at the Shrine Office Building (Rooms 108 and 109, tenth floor) eager to tell you all about his gigantic plans.

**M**EANWHILE, Nobles, will you think **"AMERICA,"** dream **"AMERICA,"** and tell your friends about the **"AMERICA"** that is coming on July 8.

**I**T is intended that certain broad public charities will participate in financial benefits from the proceeds of the performances.

---

### Get Together Club

**I** BROADCASTED at a previous meeting that it had been suggested by a number of old-timers that it would be a good idea to form a "get-together club" comprised of members of the Shrine of 30 years and over. The idea was to meet once a month, say from October to April, have a dinner at some hotel and talk things over. The result of my talk was exactly six members wrote me signifying their desire to start the ball rolling. This was hardly enough enthusiasm to warrant going ahead, but our Potentate suggests we put it in this month's notice and see what results it will bring forth.

All members eligible, who approve of this, kindly communicate with

Yours truly, GEO. H. BERGE,  
262 Washington St., Room 1100.
